

MISSION:

To significantly improve Albertans' knowledge of how gambling affects society

PERFORMANCE MEASURES

	Result 2007-08	Result 2008-09
 1 Develop and promote gambling-related research programs and disseminate results		
▪ Number of disciplines and sub-fields represented in gambling-related research	28	39
▪ Number of research grants pending completion	13	7
▪ Number of projects completed	13	5
▪ Number of directed projects (Board commissioned to balance research program)	3	6
▪ Number of academic papers published in reviewed publications	16	24
▪ Number of academic papers/presentations/posters presented in academic settings ⁽¹⁾	24	82
▪ Number of Institute (co)sponsored research communications	28	25
▪ <i>Number of attendees at Institute (co)sponsored research events</i>	-	215
▪ Number of website <i>page views</i> per month	N/A	8,803
 2 Develop and sustain a gambling-related research infrastructure		
▪ Number of experts/researchers engaged in gambling-related research	62	64
▪ Number of graduate students engaged in gambling-related research	51	39
▪ Number of courses with gambling educative component	11	5
▪ Number of new developmental (small grant) awards to promote gambling research	1	7
▪ Enrollment numbers <i>reported</i> in university courses with gambling-related component	333	100
▪ Number of library queries	116	109
 3 Establish and encourage national and international gambling-related research linkages		
▪ Number of expert reviewers from outside Alberta	125	117
▪ Number of out-of-province academic researchers/experts involved in Institute activities ⁽¹⁾	5	47
▪ Number of inter-organizational collaborative projects	5	6
▪ Number of media queries/interviews/articles	172	123
▪ Number of consultations by Institute-based researchers/experts with associated organizations	72 (Base)	56
▪ Number of Institute associated organizations	23 (Base)	48
 4 Establish and efficiently conduct gambling-related research governance and administration		

Notes:

(1) 2008-09 data includes Institute's 2008 & 2009 Annual Conferences
