Wrap-up

What have we learned?

Know your users

What have we learned?

Know your users
Know your spaces

What have we learned?

Know your users
Know your spaces
Users don't understand silos

What have we learned?

Know your users

Know your spaces

Users don't understand silos

Integrated spaces and services meet user expectations

What have we learned?

Know your users

Know your spaces

Users don't understand silos

Integrated spaces and services meet user expectations

Watch the horizon & scan the environment

What have we learned?

Know your users

Know your spaces

Users don't understand silos

Integrated spaces and services meet user expectations

Watch the horizon & scan the environment

Embrace innovation, flexibility & adaptation

What have we learned?

Know your users

Know your spaces

Users don't understand silos

Integrated spaces and services meet user expectations

Watch the horizon & scan the environment

Embrace innovation, flexibility & adaptation

Remember it's about *people**

What have we learned?

Know your users

Know your spaces

Users don't understand silos

Integrated spaces and services meet user expectations

Watch the horizon & scan the environment

Embrace innovation, flexibility & adaptation

Remember it's about *people**

*Technology is a toolbox that enable users

What have we learned?

Know your users

Know your spaces

Users don't understand silos

Integrated spaces and services meet user expectations

Watch the horizon & scan the environment

Embrace innovation, flexibility & adaptation

Remember it's about *people**

*Technology is a toolbox that enable users

Libraries can be *social* learning spaces

What have we learned?
