To the memory of Edith Ings (1880–1972) and Constance Loree (1919–2009), the first and second generation of ranch women in our family, who inspired through their commitment and spirit of adventure.

And to my mom, Linda Loree (1946–2014), for her example of how to live wisely and with strength. This work would not have happened without her constant encouragement and wise editing. All my love.
