The Digital Campfire:

Learning technology using conversation, narrative, and storytelling

Things change...

Times Change...

Hi, I'm Cathy-I started learning in the 1980's!!

Technology? The 'not so good' old-days

First came Fashion,

Then Consulting,

Finally, Teaching...

- **Is Facebook Making Us Lonely?**

- Social media—from Facebook to Twitter—have made us more densely networked than ever. Yet for all this connectivity, new research suggests that we have never been lonelier (or more narcissistic)—and that this loneliness is making us mentally and physically ill. A report on what the epidemic of loneliness is doing to our souls and our society.

Conversations about Technology include Cat Videos!!!

Does she know she is too old to engage with technology?

She's Under 20. I bet she knows how to code.

Millennials, Baby Boomers, Generation X,
Generation Y...We're all on different cars on
the technology train.

Conversation? I'm available...
